## Chapter 2 of He Has Left

7 0 1

### Chapter 1 by Story Wars

If felt like a million years without him but whatever.To me he went to hell with the demons.It was that day that we would have made 2 months and i hated him for that because my friend wanted me to end up with him after i told her that we have kissed more than once and maybe had slip once sort of but that really doesn't matter. Right? Either way at school i just kept thinking about him.It was like I saw his name every where and i felt like punching walls and his face every time I saw him but today that i had soccer practice i didn't see him, want to know why because he feel ashamed of what he has done.But while sleeping at school i was dreaming of "Hamster" code name for me and Valerie of a hot guy at our school.Anyways the dream was in a sleep over at a friends house and then we were playing hide and go seek but when we got tired we were about to go to sleep and then he looks at me and gets close and then i kissed him right on does precious lips and he acts shock until he smiles and we get it hard until Valerie wakes me up and the teacher screams at me. Now i'm home and have to go to sleep but dam Hamster is so cute.CAN'T wait till tomorrow!!
